

## **WaytoGiveHolston.org**

Way to go, Holston Conference. You inspire, feed, equip, strengthen, love and lift up people in our communities and around the world every day. Through your love for Jesus Christ and generous giving, you've made a difference for generations past and still do today, in different places and different ways.

**Thank you, Holston.  
You'll never know  
how many lives you've changed.  
Way to go. Way to give!**

Now we turn our attention to children and poverty. Over the coming months, look forward to stories of ministries bringing hope to the most vulnerable here in the Holston Conference.

**In 2015, how many more lives  
can we change?**
