

GRAY UNITED METHODIST CHURCH

Gray UMC seeks a youth intern. This paid position requires time and attention toward the execution of Sunday morning, Sunday evening and Wednesday evening social, teaching, and mission activities. Please inquire for the details. There is just not enough space to fully convey what is happening at our church and in this ministry. While the description may look common, our ministry is anything but. Contact Pastor Amy to hear the vision about this initiative at pastoramy@grayumc.org. When you receive her reply email, it will amaze you. God is at work here. Come be a co-worker in Christ with us.
