

## *Greetings from South Sudan!*

Since we returned to South Sudan in July, we have been very busy. Things are progressing well and we are so very pleased to see the South Sudanese leaders emerge and lives change through the power of Jesus Christ.

Clean water, food security, medical care, orphans, and education continue to be the work of the United Methodist Church in South Sudan through Holston Conference and its partners. Thanks to so many of you who have visited, prayed, sent gifts, and taken an interest in your brothers and sisters in Christ living in South Sudan. You have made a difference in their lives.

We are preparing to come to the U.S. in October. While there we would like to visit you and share the progress being made. Below is a list of dates we are available to come to your Conference, District, church, or group. Listed are Sundays and Wednesdays but we would be glad to be there on another day if it is more convenient for you. Please let us know if you would be interested.
